CHECK IN PROCEDURES

Upon arrival there is ONE thing that you need do:

Highlight your name on your team list in the Pro Shop. By highlighting your name you help the Pro Shop staff identify which teams require spares. If your name is not highlighted, you are considered to be absent and will not be entered into nightly draw prizes. **You must be present to win a draw prize.**

Contact the Pro Shop ASAP if you are unable to attend:

Phone: 403.337.3382 Email: daletomlinson@telus.net

Teams: Each team consists of four players. You will play with at least 1 other person on your team each week.

Handicaps:

Staff will monitor and adjust handicaps every two weeks. Be sure to enter all scores in the computerized handicap system. Posted handicaps are to be used each night – no exceptions.

The following handicap formula is to be used:

Divide your handicap by 2 and round DOWN if necessary.

If Player A's HDPC is 10 and B's is 5, A's HDPC is 5 and B's is 2, the difference is 3. Therefore Player A subtracts three strokes from his score.

Format:

Stroke Play Format is used each night. If a player does not show up and no spare is assigned then the Pro Shop will assign a player on his team that will play against both players from the opposing team.

Ex. 2. If two players from the same team do not show up, then the remaining two players will play against the other teams 4 (having the lowest HDPC player play against the two lowest HDPC players from the opposing team).

Ex. 3. If there is only one player present from a team, the single player will play against all four opposing players – as a fivesome.

Ex. 4. If NO players are present from a team they shall forfeit the 8 points to the opposing team. All efforts will be made to have spare players fill in so the points are competed for but this cannot be guaranteed.

Points: Each match is worth 2 points for an outright win, 1 point for a tie and 0 for a loss. Each night a team will play for the full 8 points, whether a player is absent or not. If two teams are both missing a player then the points will be split for that match. All efforts will be made to have spare players fill in so the points are competed for.

Spares: Each week we will need spares to fill in for those players not present. Like Men's League Members, spares can play an additional nine holes prior to the 6 PM League. Spares must pay the Men's League Membership Fee of \$15 if they play more than 2 weeks.
