

Carstairs Golf Club

2010 Junior Program

Welcome Junior's to the Carstairs Golf Club for the 2010 season!

To kick off the season we are going to have our first Junior lesson on Tuesday May 18th,
Note: Junior lessons will be held on ***Tuesdays*** rather than Wednesdays this year.

This year's Junior lessons will be focused on splitting into smaller groups and providing more 1 on 1 communication between the teachers and the juniors. This will help to help improve every player by giving as much feedback and answering as many questions as the kids have about their game and how to improve. We will be running 2 lessons per night every week lasting 30-40 minutes per lesson; it would be much appreciated if parents of juniors would call the club the day of lessons to inform us on which lesson your Junior would like to participate in.

Lesson Times:

1st Lesson- 5:30.

2nd Lesson- 6:15.

At the Carstairs Golf Club we would like to see our Junior members become more active in using the course as they are members. After every night of lessons we encourage the juniors to be on the course playing and practicing their new technique from the previous lesson, any parent can play with their child after 6:00 P.M for just \$10.00

On behalf of the Carstairs Golf Club and all the staff here, we welcome you to the Club and look forward to having you as a member of the club. Good luck and have fun.

Sincerely,

Randy Hunter
